* Any additional advertising will not be on the same page as the editorial.

** Subject to agreement with the editor

*** There may be an admin charge regarding artwork resizing/adaptation. All classified adverts are subject to approval. The Editor makes no claims to the accuracy of classified adverts, and any errors will be corrected, or removed, as soon as the Editor becomes aware.

All adverts are subject to availability, and placements are at the discretion of the editor.

Placement size is not set and is only to be used as a guide, and may vary depending on position and page.

We also offer exclusive design rates for various adverts, as we have our own in-house design team, who also do external advert construction. Please contact the [Business Development Manager](#) who can provide further details. Combination, or multiple adverts receive discounts, so please ask for a quotation direct.

Placement size is not set and is only to be used as a guide, and may vary depending on position and page.

All adverts require payment before placement/ insertion, unless otherwise negotiated. All prices are inclusive of VAT at 17.5% unless otherwise stated.

All prices are in Pounds Sterling (£) and are subject to change, and this listing in no way constitutes an agreement either verbally or written. For a direct quotation, please contact the [Business Development Manager](#).

Online sponsorship opportunities:

We have a wide range of flexible sponsorship opportunities available in relation to Compute Scotland. These include feature writing with hypertext links, one-page adverts, and specific to a relative area, whole site advertising on multiple pages or image button links.

Accepted formats for advert placement are SWF, JPG, or GIF. Other options are available, but please ensure compatibility first.

20% agency commission is paid to NPA/IPA recognised agencies.
